

TO ALL NORM'S ALEHOUSE CUSTOMERS,

I'm Peter Glick, owner of Roxy's Diner and The BackDoor and I'm excited to let you know that I've recently bought Norm's Alehouse, which will now be part of our Family of restaurants.

Steve Habecher, founder of Norms, has moved to Yakima and wanted his restaurant to live on in the style that he created. And that will be my goal. Expect: Great Service, Selection, Value and a Dog Friendly Attitude.

Happily, most of the staff will be staying on and you should expect no change in your experience when you come for a visit.

Thanks for being a good customer and watch for new additions on the menus and special promotions to keep you coming back, over and over again.

Thanks,
Your Host,
Peter Glick

NORMS' RULES OF "MAN'S BEST FRIEND"

We have some very simple rules for your furry friend so as to make the experience enjoyable for all.

We appreciate your cooperation.

Please keep them at your table, not begging at tables around yours.

Please keep them off the tables and booth seats. Sorry, they must remain on the floor.

Must remain on a leash at all times.

Try to keep barking to a minimum, or none at all.

Your friend has to get along with everyone. If you can't take them to a dog park then they can't be in Norm's.

We are walking a very thin line by letting you bring them in and to do so we have to be firm about these rules.

PLEASE INFORM YOUR SERVER OF ANY FOOD ALLERGIES YOU MAY HAVE

*eating raw or uncooked meats, poultry, eggs, fish, or shellfish may increase risk of food borne illness, especially if you are a young child, an older adult, or have certain immune compromising illnesses.
